Many People Relieved of
Deafness, Head Noises
and Catarrh

Just think of it—relieving your catarrh, those distressing head noises or even deafness, without swallowing any medicine, without operation—all done by agreeably inhaling medicated smoke from an herbal mixture. Read what three people say:

"I was nearly deaf and catarrh was very bad," writes C. J. Barber of Denver. "Now I can hear a clock tick from one room to another."

"The starting and crackling noise in my ears had gone," writes G. Nicklas of Ankeny. "I was almost deaf and I had a lot of trouble when I began to use Dr. Stella Holle's Catarrh Remedy, but now I feel better and hear every day," writes O. J. Holland of Gering.

"Although I was deaf from persistent colds, being scarcely able to hear anything, I began smoking Dr. Stella Holle's Catarrh Remedy and soon I could easily hear even slight sounds," writes A. E. Mathews of Monterey.

Save Your Hearing
Amazing relief of deafness, head noises and other disorders due to catarrh are being secured to the effect of this herbal medicine. It can be bought at the drug store in capsules, or as a pipe-smoking or burning mixture. Contains no tobacco, is safe and harmless. Ask for Dr. Stella Holle's Catarrh Remedy. The testimonials after other things have failed. Women, men and children easily use this great remedy.
